WE HAVE THESE SONGS ONBOARD READY TO PLAY AS YOU CRUISE.  
ALTERNATIVELY, YOU CAN CHOOSE SONGS AND WE WILL  
DOWNLOAD FOR YOU BEFORE YOUR CRUISE.

Just let us know before your cruise, or on the day, and the songs will be played quietly over the speakers.

You can also bring your own music as long as it has been downloaded onto an iPhone, android or MP3 player. The signal on the river is poor so we can't rely on streaming music from the web.

The device will need to have a headphone socket – or for iPhones 7 & 8 a headphone connector
